4 LEVELS YOU CAN TARGET

The power is in your hands through your play. **We just reward you.**
Target greater rewards with each new level you reach.

EARN POINTS

Earn POINTS when you play slots & tables.

POINTS HAVE \$ VALUE

For every **500 BASE POINTS** earned, members also earn **1 COMP DOLLAR**. You can use comp dollars for purchases in the Gift Shop, and food purchases in the Restaurant or Lounge.

SLOTS: 1 POINT for every \$1 dollar bet

VIDEO POKER & KENO: 1 POINT for every \$2 dollar bet

TABLES: 15 POINTS per hour, average bet and time played

POKER: 200 POINTS for every hour played

** RATED TABLE PLAY AND POINTS CALCULATIONS ARE SUBJECT TO, AND EXCLUSIVE TO, THE TABLE GAMES DEPARTMENT. CHECK WITH PIT BOSS FOR UPDATED RATED PLAY INFORMATION.

REDEEM YOUR POINTS

Once you've piled up the **POINTS & COMP DOLLARS**, it's time to target the rewards you've earned.

Every **500 POINTS** you earn is equal to \$1 that can be redeemed* for cash, merchandise, dining and gaming.

*Excludes gaming, alcohol, gratuities

REDEEMING POINTS AND CASHBACK

POINTS: Present your Arrow Club card to redeem for gifts or food. For slot play, redeem via the game's service window.

CASHBACK: Redeem at the casino cage/guest services window.

TIERS MATTER

Arrow Club rewards program has four tiers determined by the number of **BASE POINTS** earned in a 6-month period. Ascend tiers and you'll earn **POINTS** at a swifter rate and for greater rewards, too. Be sure to use your card at least once every 13 months to remain active. Inactive memberships will be reset to the Bronze level and all **POINTS** and **REWARD PLAY** balances will be removed.
